“ I remember Carol when I was a child hanging out with her siblings. She always had that maternal instinct! I never heard her say anything bad about anyone! I remember her always given others the benefit of the doubt. She was a sweet person! Praying for strength for the family!

“ Carol was one of the sweetest people that I knew. She always prayed for me no matter what it was. She loved in me like I was part of her family. She will always be remembered for her beautiful soul, good, cooking and God fearing spirit. Love you Carol.
