“ *I only had the pleasure of meeting Catherine one time We talked about for about 30 minutes and it was a very enjoyable conversation. I learned we had a lot in common such as old books{i.e. Agatha Christie} & jig saw puzzles among other things. I live with her son son John, & it was overwhelmingly apparent how much she truly loved , cared for, and, worried about her son. A good human being was lost to us that are still here. She will truly be missed by many. God bless & God speed. You definately deserve your reward! Tons of love from everyone!!*
