“Dad, I miss you beyond words! its been a few months now since you left us and it doesn't feel real at all. I keep telling myself your away on a job like you were when i was little with lockheed and you'll be home but I guess I should face the truth that you will never walk back through any door again here on earth. I love you daddy and you were the best daddy a girl could ask for! Thank you for accepting me so young and loving me my entire life!

“I love you and miss you terribly Daddy! If I could bring you back through the front door again I'd do it in a heartbeat. Save my seat right next to you Dad! I'll be there when the good lord calls me home too!

“ I was a daddy’s little girl and even though he’s gone and only his memories live on in us, I will FOREVER be my daddy’s little girl! I am beyond blessed to have been that one who could get daddy to do absolutely anything including going to the doctor when you know he didn’t want to. I love you daddy and I just cannot fathom that you’re really gone! Heaven truly gained one heck of an angel in heaven!! A man that will do any & everything for anyone around him! Rest in paradise daddy until we meet again!!

“ I was my pawpaw’s name sake. He was my mentor, and the person I could tell anything too and he wouldn’t judge me. He will be missed dearly, but will forever be watching over us!
