“ I worked with Mr. Miles at the Scyene campus and continued to see him at the Pritchard campus or when he visited Scyene. Always pleasant and kind. Always looking dapper. I had hoped I could attend services but I am recovering from surgery and have not yet been released. My sincerest sympathies to the Miles family and especially to you Mrs. Woods. We all know how close you and your brother were and how much of a loss this is to you. God bless you all and be with during this time.

“ Mr. Miles was a very caring person. I met Mr. Miles at Nova Academy where I worked for 5 years and grew together as family. Mr. Miles always listened to my concerns and tried to figure out a way to meet my concerns. I respected Mr. Miles so much because he was very direct and caring. He was also compassionate. I can't believe that Mr. Miles have left us so soon. He will truly be missed but never forgotten through his kind words of encouragement and dedication to our cause at Nova. You have left an emptiness in my heart yet a gratitude of joy as I remember your thoughtfulness and compassion. You were so well respected. I find peace in knowing that you have gone home to a greater place and you will suffer no more pain or affliction. Rest peacefully as God embraces you.

You were a Great Man!

So much sorrow but no more pain.

Glory Be to God!

He makes no mistakes.

Our Father is greater than our understanding!

I'm praying for comfort and peace for the family and friends of Mr.

Miles>

“ Don you were my everything, my soul mate, my best friend and my first love. Half of me is missing. I know you are where you always wanted to go HEAVEN. You left me and half of me is mad but I will learn to live without you. You have always been there for me and I am going to miss you like crazy. You were a person that knew something about everything, I remember when you got your first boat and did not know how to even drive it. But you learn and got your license. You were a great dad and loved your kids the best you knew how to. Gone to soon!! I will forever miss you!! My best friend and one of strongest men I have ever known.

“ I met Cousin Don virtually. I was researching my family’s history and we discovered we were distant Miles cousins. It was such a thrill to find a living Miles cousin! We kept in touch over the years and although I never had the pleasure of meeting him in person, I always felt he, Donna and I had a connection! I’m so saddened to hear of his passing! I pray his children take comfort in the fact that their father’s outstanding presence reached beyond Dallas and it will remain with them forever!

“ I had the pleasure of working with Mr. Miles at Nova he was a very sweet man he would always be straightforward and would always look out for me, i would always call him my grandpapi everyone knew i called him that because he was someone i cared for and respected. I will miss him dearly i will keep him and his family in my prayers.
