*Bubba, you are resting the sweet rest, that know no waking except in the presence of Jesus. We shared your Mother, and we shared life since age 14. You became my brother. What makes me laugh is to know I teased you that I was the oldest, and you never corrected me, when you were a year older than me. I Love you and will always carry all we shared in my heart. Sleep on Bubba! I will miss you but you will live forever in my heart.*
