“ LOL, You were the first one to give me a job. I worked as your housekeeper at the age of eleven. You said I wasn't a good one but kept me coming and paying me anyway. You nicked-named me "Bell" and I look forward to hearing you call me that again. I will always remember the time we spent together and how you showed me unconditional love.

Your "Bell" for life.

“ We send peace to the entire bereaved Bell family on today. Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort. May you find peace and comfort in Christ. To our good friend, we will miss your warm smile and the charm of laughter. Take your rest. You fought the good fight of faith. The Delaney family sends their condolences.

“ Pawpaw,

*I'm going to cherish all the memories we had together. Our early morning coffee drinks, cuddling between you and granny every morning, all of the tickles you'd wake me up with, all your quarters I'd pick up off the floor, you always telling me how beautiful I was. I knew this day would come. I still wasn't prepared for it.*

*I Thank God you're no longer in pain. Love always- Your Shunna Pooh*
