“ *Jerome was a wonderful man, husband, father, son, brother, and a best friend to all that him. It is going to be hard for me to put into words how much we are going to miss him. He gave me two beautiful children, Meagan and Jeremiah. Not only did he give me two children, I gained another daughter, Nina and he helped me raise my daughter, Claytie. He really loved his family. They meant everything to him. He had a passion for life and loved making everyone happy.*

*I look back over our short time together with nothing, but joy and happiness of precious memories. No matter if we were right or wrong, he loved us unconditionally. Sure we had some rough times, but the love we had for each other, always brought us through it.*

*He really loved the Lord and was very active in church whether it was being a deacon or a part of the choirs. He really loved to sing. His favorite song was "God's Grace". That was his song. It will continually be a reminder to us, that whatever we go through or don't understand, that it is God's grace that will sustain us.*

*We know that Jerome is in a better place and that we will see each other again in a little while, but we will miss him everyday and keep him with us until we meet again. RIH until we meet again. We love you very much. 🥰🥰🥰🥰*

*Please continue to pray 🙏 for us and the entire family as we face the days ahead.*

*Jerome, lord only knows we had our ups and downs at TRS, but through it all you remained a great coworker and awesome friend. Tell your mom i said hey, i spoke to her on the phone often and felt like i knew her. Rest in peace and i will see you again someday.*

“ *Condolences to the entire family!  
Jerome and his family were here just a couple of weeks ago to visit. He seemed to be the good old Jerome I have always known. I have only known Jerome for sixteen years and in those years he became a wonderful friend and someone I could joke around with. Jerome's wife and entire family will miss him more than I, but his passing leaves a hole in my heart that will take a long time to heal. Jerome is with the angels now enjoying all the singing and praises that they can offer to the Heavenly Father.*

“ *Dad, Words can't express how i feel right now. You took me in when i was 14 years old and always treated me like your own. You are an amazing father. Im going to miss your smile, your laugh, your talks, your knowledge, and wisdom. But sleep well until we are reunited again. I know you are watching over me. Im going to miss you and i love you very much.*

“ My condolences to the family. I have known Jerome since the late 80's. He was my brother's best friend and my family's too. He came over for family meals and get togethers. He was a super sweet person and he will be greatly missed. Prayers to the family during this difficult time.

“ Jerome, I'm trying to put my words together, I simply can't believe your gone. You have always been around for the good times & unfortunately even the bad. Not sure if you even knew, how much you would be missed once you were gone. Sending my ♡ up to heaven, Until we meet again.
