“ We are 6North/8 South!!
Jessie you help us to grow into who we are today!! Whether it was holding us accountable for doing our jobs or keeping us in line or maybe it was because we knew you would call us “Sea Hags” at least a couple times a day!! 😊
You were the one sure thing we could count on everyday!! And we loved you for just being you!!
Rest well my friend!! Love you always my Jessie Mae!! ❤️❤️❤️❤️
