“ John and I go back to high school. He was a good friend. I remember when he returned to school after his hip operation and how happy he was not to walk with a limp. I'm just sorry not to have been part of his life after high school. I lost track of him after my return from Vietnam. I was so glad to see him at our 50th class reunion. I had intentions of going to spend some time with him in Texas. It never happened. That truly saddens me. RIP my friend.
