“ Hello Grandmother , it's the baby of the bunch ! Sorry for the delay but you know they say better late then never. What has transpired is very unfortunate and unexpected but it's also understood, Even though you are no longer physically with us. I find comfort in knowing that you are now resting and no longer dealing with the problems and ailments of the flesh and stepping back into something young and new with the Lord lol. I shed no tears because I feel like it would be selfish of me too want too keep you here any longer then the Lord allowed while much better was awaiting you. Until we meet again imma sit here and play this video game wit cha, I'm still here too help you beat them levels you can't make it through , I love you Grandma Kathy

“Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.”

“ To my wonderful auntie...you will forever be in our hearts. Heaven has gained a wonderful blessed soul. You were there for so many and now we are left here to takeover where you left all. We will now carry on with a kind soul and a listening ear. We will take what we learned from you and be there for each other. We love you aunt Kathy and you will forever be in our hearts. Fly high auntie... not a goodbye but until we meet again in heaven.

“ *Grandma Kathy. I miss you so much. I'm so grateful for all our memories and that you got to meet my boys. I'll never forget your phone calls to ask about Ruben's day at school or just to tell me the westher forecast. This hurts so much and it's hard but I know you are in a better place...you're with Jesus, and that's the best place to be. Thank you for being such a wonderful example of what Faith looks like, thank you for loving others and thank you for all your prayers over the years. Please continue to watch over us and I'll see you again in Heaven. Until then, I'll watch your favorite programs, eat ice cream sandwiches and play Farm Hero for you!*
All my love,
Your granddaughter Cetericka

An amazing woman who exemplified what having faith in GOD was. She was not ashamed of the “Gospel of JESUS CHRIST”! I thank the LORD for allowing our paths to cross and how you touched James and my hearts. You fought that “good fight of faith “ and now you are resting in HIS arms. Gone from this place but never from our hearts. We love you my dear ! ❤️❤️ RIP Moma Kathy 🙏🙏🙏🌹🌹🌹😭

“ I have many fond memories of my Mother In Law, 42 years worth. No words can explain the void left in our hearts due to your departure. We understand that you could not stay with us any longer and had to take your journey. We take comfort in knowing that your work here on earth was completed and God needed you more. We will continue to always celebrate your life as we continue without you physically but know that you are with us spiritually. We love you Mom, Kathy, Leenie and Grand Ma Kathy.
