“ Aw man Mike you're gonna be missed! You were always upbeat, full of life, fun, laughter and joy. You always had a good story to tell full of laughter when it came to the boys and girls club days and school. Our high school days at W.T.White were memorable. I wouldn't changed them for the world. Man you seemed like you were apart of everybody's family. Very inspirational to the kids who paths you crossed. You're one of many West Dallas natives that's left us too soon. RIP Mike! The true meaning of a friend for life. My condolences to your family and loved ones.

“ *Michael Moore was one of the greatest people I've ever had the pleasure to meet. He had a beautiful smile, a magnetic personality, and great spirit. He was always laughing and joking and forever the life of the party. He was such a great dad and just a wonderful person. We will never be blessed with a light that was able to shine as bright as yours. We love you and miss you and we you keep your legacy alive.*

“ *Michael was one of my best friends at W.T.White, I didn't have a ride to the prom, and he came and picked me up. We played basketball at W.T.White, and remained friends for life. He was a great guy, who will be sorely missed. He was the true meaning of a friend, I am truly saddened. May GOD continue to comfort his family, and loved ones.*
