“ I really really miss this lady she was my patient for a few years at the meadows. I had to resign due to my health I had to fight cancer. I hate that I didn't get a chance to come back and visit my friend her daughter crystal came everyday to check on her and made sure she was well taken care of. Also made sure she brought whatever you wanted or needed. I hope she is doing OK. I lost my mom in 2013. Never got over it. I know her and her daughter were close they loved each other so much. My heart goes out to you crystal and the rest of the family. I miss 😭 her. My love and condolences and prayers

“ I'm so sorry to hear about Momma Monica. Growing up she was one of the coolest parents, I enjoyed being around her —truly a wonderful person. Her warmth and kindness touched everyone who knew her, and her spirit will be greatly missed. I hadn't seen her in years, but I'll always remember how special she was.

*My thoughts are with you Crystal and Corlin during this tough time.
Lean on God through it all!*

“Wow, I wasn't expecting to say goodbye like this with a writing on the wall of your memorial page! I'll miss your bold and brazen attitude. Miss “tell it like it is”. I always respected your personality you said whatever you wanted to. LOL, whew the laughs I've had with you. Missing you is an understatement.

Sometimes we forget to tell people how much we love them while they're here. But I did and do love you very much.

You will live forever in the hearts of those who loved you, those you molded into great people and those you made laugh with your clever use of words at the right time.

A woman of class you were, but that mouth was slick 😂😂. I'm so thankful I got to know you! Now you can rest in the arms of the lord. I might put a lil E&J in my coffee. Rest in Love ~ Twanna

“Miss Monica I met you 23 years ago and you were in the kitchen making cabbage rolls I was a city girl I had no idea what those were but let's just start with D and end with licious. You were the first person to spike my coffee with a lil E&J 🍷 changed my corporate America stressful life forever. I had a different appreciation for your tell like it is humor I knew I would get the truth, some sound advice and a real good laugh if I asked you. I appreciate you being such a good mom to my friend she's the epitome of love and compassion and I'm certain it came from you. Thank you! You will be truly missed, keep watch over us you know how we do. 🕊️ Fly High (a real inside joke) and Rest Easy. Love Stephanie
