“ I know that heaven is joyful to have Sister Parker there with the Saints and as much as she will be missed here, I am truly blessed to have known her and to be able to call her 'sister'. She left this world a better place by her kindness and example of a loving and faithful Christian woman.

“ Pam was A Beautiful Example Of Showing Others The Art Of Unconditional Love and Christianity Among All The People She Met. We Met On A Trip With Southwestern Christian College To The Holy Lands And By The Time We Arrived Back In The United States, We Have Been Friends Ever Since. She Invited Me To Arizona To Attend Her Birthday Party And Gave Me My Own Personal Room In Her Lovely Home, I Met Her Sisters Kids & Family And The Rest Is History. She Offered Me A Friendship I Will Cherish For My Entire Lifetime. May God Bless Your Family And Our Prayers Will Be Lifted Up In Their Behalf.

*Sincerely In The Spirit Of Christian Love,*

“ I love Pansy (Pam) Parker dearly. She was my sister-in-Christ. Her favorite saying to so many was, ". . . Make your calling and election is sure." With all my heart she lived up to her saying based on 1 Peter.

*May the family feel the comforting hands of God as they, as well as many, grieve Pam's death. I am quite sure she is now resting until Christ returns for His Church.*

*Blessings to all.*

*To Pam's family. I heard that Pam asked someone to get in touch with me to let me know that she was in hospice. I tried to contact her at the number that I had in Arizona all to no avail. I did not know that she was in Dallas. No one told me. So I tried in Arizona. After I couldn't contact her, I hurried and wrote her a letter. It has returned to my home. I feel so sorry that I could not say some encouraging words to her before she passed. I loved her and she loved me. In fact. Pam loved everyone. She was a true friend and such a sweet person, a Woman of God. I shall miss seeing Pam at the Lectureships and Conferences. My phone number is 832 643 1224, I reside in Houston. I would like to know how her last days were and why she was in Dallas. I suppose she was with a daughter or some family member. May God provide Solace for the family. I cared about Pam . May God continue to give you strength.*

*Sister Pam Parker was a hard fighting Soldier, for many years. She kept her Prayer Line going Strong, she was an Entrepreneur, she was a Traveler she liked helping people. She will be deeply missed. Sis Sis Laurice Hale.*

*When the time was going fine  
We shared laughter and sunshine  
What fun we had  
We shared sorrow, doubts, and fears  
We even shared our tears  
When things were bad  
We knew that we would never find  
Another friendship of our kind  
We were guided from above  
To share a special love  
But despite how much we cared  
The best thing that we shared was Jesus.*

*It was He who tied our hearts in one as friends  
And he will bring us back together once again.  
We shared sunshine, we've share rain,  
We've shared joy and pain  
Through it all we've always cared  
Cause the best thing that we shared was Jesus.

“ *A bouquet of beautiful memories sprayed with a million tears. Wishing God could have spared you, if just for a few more years. I will miss my dear friend/sister, she was a blessing in my life. She lived her life to the fullest and always served the Lord. I have known Pam since the 70's when we worked at the same company in San Jose, CA. We have remained friends throughout the years and she and Charles were like our extended family. After she moved to Arizona we still kept in touch, she would visit us on her visits to San Jose and when we came to Arizona we would visit her.*

*Pam loved to celebrate birthdays and other occasions with big parties and had friends from all over the states coming to attend. Pam loved clothes/hats and everyone attending the 70th birthday had to come in a hat. She was also quite the entrepreneur, when we had a lay-off, she opened up a day care in her home. When she moved to Arizona, she opened up a clothing shop in her home. Yes, Pansy was not afraid to live her life and try many things. She had enough energy, love, spirit for two or three people. I will truly miss her.*

*My dearest sister Pam, a social butterfly an example of a true Christian Woman. We met some years ago and it was love at 1st site because we shared so much in common but most of all we shared Jesus! Your desire was for me to bring the National Ladies Lecturship Retreat that is sponsored by Country Club Dr. C.o.C. to AZ so our sisters on the west course could get that experience that you got every year. Well I took it to TX in 2019 is the closest I have gotten to the west course. Maybe in the future! It broke my heart to hear you had gotten your wings and gone to paradise where the roses never fade, just waiting to see Jesus. I will definitely stay prayed and readed up to make my calling an election sure as you always reminded us to do on your AZ prayer call.

“ I have so many beautiful many memories of my Godmother. She definitely was a woman Phenomenal and a beautiful woman. she loved her family and close friends even to the end. I remember her coming to CA. and I would always take her to see different friends. She would be so happy because I never once told her I didn't have the time. I made it a point to do what ever she wanted me to do. She loved everyone and others love her as well. I would sometimes remind her what my Godfather Charles would call her (Monkey) she would just laugh. Oh she loved dressing up she was a real Diva when it came time to step out. Her hat's couldn't no body beat her on wearing those hat's. I could go on and on she always made sure before would end our Conversations she would say take care of my son Rick, and make sure I keep cooking Brandon his chicken and I love you all. I know when God gave her wings to her they had to be GOLD because he knew he was receiving a true Diva. Love you mom your Godson Rick & Goddaughter Ann Ferguson
