“ I worked for & with Robert for about 10 years in the independent contractor industry. I learned so much from him; we would have so many deep & funny conversations. He was definitely more than just a coworker; he was a friend. He loved his family & talked about them often. I will keep the good ol' days of working together in my thoughts. My prayers & condolences go out to the family.

“ I remember my Uncle loved music he even had yall them old abulms u pull on turning table I believe he had a turn table. I remember my uncle would speak wat was on his mind yall .He would always give u gifts every hoilday. My uncle would tell u wats on his mind. I remember my mama telling me he love tomatoes and to make homemade pancakes. We have so many memories uncle we will forever miss u love u .your neice Nikka

“ I love you Pops! I'll forever remember the heart to hearts, and the music blasting in the garage.

Love you,
Martha Dawn
