“Dad” was very special to me, in so many ways. He called me his daughter-in-law long before I married Bill. He has had and always will have a special place in my heart. I remember his laughter, more than anything. And, “ to make a long story short...”! You will always be in my heart and missed very much! Love you, Dad, always.

“ A God sent Man I call Dad, I loved your laugh, your happy go lucky attitude, your ray of sunshine that always followed you when you walked into a room, you have such a huge heart that loved everyone you came in contact with. You would even talk and laugh with people you had never met before. That God Sainted Glow of yours will live on forever. I love you Dad, I will always have you in my heart. <3 <3 <3

“ Robert was the sweetest most loving husband for 26 years and a great PePaw to 9 wonderful grand children . He had a heart of Gold that was larger than the State of Texas! He Loved football and of course his team was The Dallas Cowboys! Darling, you have left this life but we will be together again, in a new body, and walk the streets of Gold hand-in-hand. Rest assured you will be dearly missed by everyone who knew and loved you but your memories will forever live in our hearts. Rest In Peace my Darling Until we meet again on that Happy Golden Shore.
