“ *This message is for Robert Patterson Sr.,*

*For over 45 years I have hoped and wished for this day to come.
The day to end the physical abuse, verbal abuse, and mental abuse
your ex-wives, your children, and your family has endured from you.
I hope you felt that same exact pain and suffered in your final
minutes, hours, days, and weeks leading up to your death.*

My last words to you... Rot In Hell Old Man!
