“ Mom words can't express the love and feelings I am having through all of this. Your strong willingness showed me how to be a strong black mother and how not to let anything break me. My siblings and I will miss you dearly . Now go beat my uncle in dominoes and dance with your father again!

“ So many beautiful memories of you mama. You taught me what it means to be a black woman. You taught me what it means to laugh, smile, and live. You taught me how to be a mother. Forever grateful to have a mom like you.
