“ Ned as he was known for in the neighborhood but to me he treated me like his daughter always looking out for me. I just found out yesterday that he had passed away. I will always remember Ned as my dad and for teaching me

“ I just ran across this on the internet and I'm in total shock. Please respond to this message if you can. I knew this man and I knew him very well. My mother, Ruby Nell Tyson, was married to him in the 70s and he was the only father I knew. He was my stepfather that my mom moved me and my siblings away from in 1981. I never saw him again and always wondered how he spent the rest of his life. This year I begin looking for him. In July I drive from Houston to Dallas to look at the house we lived in. 4223 Clark College is where we lived from about 1977 to 1981. If ANYONE in his family would please contact me I would appreciate it. My name is Lashaunda Hillsman. My phone number is 713 501 5809. I would love to speak to anyone that could tell me more about the man I called Daddy.
